Department of Electronics and Communication Engineering

VOLUME 1 – ISSUE 2

NEWS LETTER

January – May 2023

College Vision

- *Emerge as a premier technical institution of global standards, producing enterprising, knowledgeable engineers and entrepreneurs.*

College Mission

- *Impart quality and contemporary technical education for rural students.*
- *Have the state-of-the-art infrastructure and equipment for quality learning.*
- *Enable knowledge of ethics, values and social responsibilities.*
- *Inculcate innovation and creativity among students for contribution to society.*

Department Vision

- *Produce competent Electronics and Communication Engineers and entrepreneurs with research ideas to fulfill societal needs through innovation, creativity, ethics, and values.*

Department Mission

- *Have good infrastructure and cutting-edge laboratory and research facilities for high-quality teaching, learning processes, design, development, and research.*
- *Provide resources, environment, and continuous learning processes for better exposure to contemporary technologies in Electronics, Communication, and allied Engineering.*
- *Encourage creativity and innovation and the development of self-employment through knowledge and skills, for contribution to society.*
