Department of Electronics and Communication Engineering

VOLUME 1 – ISSUE 1

NEWS LETTER

June - December 2022

College Vision

- *Emerge as a premier technical institution of global standards, producing enterprising, knowledgeable engineers and entrepreneurs.*

College Mission

- *Impart quality and contemporary technical education for rural students.*
- *Have the state-of-the-art infrastructure and equipment for quality learning.*
- *Enable knowledge of ethics, values and social responsibilities.*
- *Inculcate innovation and creativity among students for contribution to society.*

Department Vision

- *Produce competent Electronics and Communication Engineers and entrepreneurs with research ideas to fulfill societal needs through innovation, creativity, ethics, and values.*

Department Mission

- *Have good infrastructure and cutting-edge laboratory and research facilities for high-quality teaching, learning processes, design, development, and research.*
- *Provide resources, environment, and continuous learning processes for better exposure to contemporary technologies in Electronics, Communication, and allied Engineering.*
- *Encourage creativity and innovation and the development of self-employment through knowledge and skills, for contribution to society*

DEPARTMENT ACTIVITIES

V V TECHNOZER 2K22

We presided over the national-level technical symposium “ VV TECHNOZER 2K22 “ on 5th OCTOBER 2022 to discover the inner talents of the budding technocrats. Students from various colleges participated in the events and earned their awards. On top of that, our students coordinated every event with the peak spirit.

WORKSHOP ON AR/VR

Our second-year students benefited from a workshop on AR/VR led by Mr. Madan Kumar of InGage Technologies Pvt. Ltd., Chennai, on November 29, 2022. They gained valuable insights into emerging technologies and their applications.

GUEST LECTURE ON THE INTERNET OF THINGS

On December 2, 2022, our pre-final year students attended a guest lecture on the Internet of Things by Mr. B. Ajay from SkillsDA, Chennai. The lecture gave them practical knowledge and insights into various IoT applications, enhancing their understanding of this rapidly evolving field.

INDUSTRIAL VISIT

Our final-year students visited Borotik Wood Industries in Shenbagaramputhur on June 2, 2022, delving into advanced automation techniques and modern wood preservation methods. They gained valuable insights into industry practices that bridge technology and sustainability.

Our Pre-final year students visited J J Windfarm Services Pvt. Ltd., Panagudi, on June 2, 2022. They gained practical knowledge of renewable energy generation. The visit provided valuable insights into windfarm operations and technologies

Our Second-year students visited J J Windfarm Services Pvt. Ltd., Panagudi, on June 2, 2022. They gained practical knowledge of renewable energy generation. The visit provided valuable insights into windfarm operations and technologies
